- Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

41.1 Dangerous and Unfair Bowling

Law 41.6 applies subject to the following amendments;

- 41.1.1 A bowler shall be limited to two (2) fast short-pitched deliveries per over.
- 41.1.2 A fast short-pitched delivery is defined as a ball, which after pitching, passes or would have passed above the shoulder height of the striker standing upright at the crease.
- 41.1.3 The umpire at the bowler's end shall advise the bowler and the batter on strike when each fast short-pitched delivery has been bowled.
- 41.1.4 In addition, for the purpose of this regulation and subject to (41.1.6) below, a ball that passes clearly above head height of the batter, that prevents them from being able to hit it with their bat by means of a normal cricket stroke shall call and signal "Wide".
- 41.1.5 For the avoidance of doubt any fast short-pitched delivery that is called a Wide under this playing condition shall also count as one of the two (2) allowable short-pitched deliveries in that over.
- 41.1.6 In the event of a bowler bowling more than two fast short-pitched deliveries in an over as defined in (41.1.2) above, the umpire at the bowler's end shall call and signal No ball on each occasion. A differential signal shall be used to signify a fast short-pitched delivery. The umpire shall call and signal No ball and then tap the head with the other hand.
- 41.1.7 If a bowler delivers a third fast short-pitched ball in an over, the umpire, after the call of No ball and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batters at the wicket of what has occurred. This caution shall apply throughout the innings.
- 41.1.8 If there is a second instance of the bowler being no balled in the innings for bowling more than two fast short-pitched deliveries in an over, the umpire shall repeat the procedure in (41.1.6) and (41.1.7) above and advise the bowler that this is his final warning for the innings.
- 41.1.9 Should there be any further instance by the same bowler in that innings, the umpire shall call and signal No ball and when the ball is dead direct the captain to take the bowler off forth with. If necessary, the over shall be completed by another bowler, who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- 41.1.10 The bowler thus taken off shall not be allowed to bowl again in that innings.
- 41.1.11 The umpire will report the occurrence to the other umpire, the batters at the wicket and as soon as possible to the captain of the batting side.
- 41.1.12 The umpires will then report the matter to the Competition Executive who shall take such action as is considered appropriate against the captain and the bowler concerned.

41.2 Bowling of High Full Pitched Balls

Law 41.7 applies with the following additional information

- 41.2.1 As a guide, an official warning should only be given against a bowler for a high full toss delivery if the umpire answers YES to each of these questions –
- Was the ball delivered full pitch above the waist of the striker.
 - Was the delivered ball directed at the body of the striker.
 - Whether or not the ball is struck by the batters, If the delivered ball had hit the striker in the body would it have potentially caused injury.

When assessing the above criteria umpires are required to take into the account the speed at which the ball was delivered.

- 41.2.2 In the event of a bowler bowling a high full pitched ball as defined in clause 41.2.1, the umpire at the bowler's end shall, in the first instance, call and signal No ball and when the ball is dead, caution the bowler and issue a first and final warning. The umpire shall inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred.
- 41.2.3 Should there be any further instance by the same bowler in that innings as defined by clause 41.7(c), the umpire shall call and signal No ball and when the ball is dead direct the captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler, who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- 41.2.4 The bowler thus taken off shall not be allowed to bowl again in that innings.
- 41.2.5 The umpire shall report the occurrence to the other umpire, the batsmen at the wicket and as soon as possible to the captain of the batting side.
- 41.2.6 The umpires shall then report the matter to the CHDCA who shall take such action as is considered appropriate against the captain and the bowler concerned.
